Every Sensation

Opportunities with a difference

Every Sensation has been developed to provide Day Provisions. Our service and facilities have been designed to meet the specific needs of adults with Physical and Learning Disabilities. Our clients include those with complex needs & severe physical & learning disabilities needs such as oral suction, jejunostomy tubes, gastrostomy or naso gastric tubes, hydrocephalus, blind loop syndrome, epilepsy, spine bifida to name but a few.

Our kitchen hygiene 5* rating for another year

HYDRO

As you can see Sophie has a whale of a time in the pool

Please remember that the pool is available for hire in the evenings and on Saturdays so if you fancy having a dip with your family and friends or for a birthday party please contact either Louise or Sue for details on availability

Human Resources

Employee Profile

Sarah Davidson is our new Support Worker, Sarah comes with several years experience & we look forward to working with her.

We are continuing to advertise/interview for full time/part time/bank support staff, & will inform you of any new staff members in due course.

Donations & New Equipment Received

We have been donated another fish tank and would be looking for a stand to sit it on presently. if anyone knows where we can purchase one locally please let us know so that we can get this tank set up as well as everyone loves to see and feed the fish.
